SSSF (25th Anniversary) Fashion Show

We were lucky, we got the room with the Bingo Board.

“Umm, I wanted a Pink Book, not look.”

Our first Sailing Singles Fashion Show was held at the Parliament House on March 22 and was a great success. We made \$704 and these funds were applied to the cost of the SSSF 25th Anniversary Silver Jubilee, bringing down the ticket price for SSSF members. There are many people to thank but Number 1 goes to Linda Postyn of the Prissy Hen, who supplied all the outfits from her store (which is about 100 feet north of the Lauderdale Grill, where we have our Thursday night socials).

SSSF (25th Anniversary) Fashion Show (*Continued*)

More thanks go to:

Our models: **Nancy Widener, Terry Patterson, Arlene Bothwell-Sprenger, Jeannie Burke, Annette DeVivo, Karen Long, Linda Kaelblein, and Stan Dekiel.** They had to do more clothing changes than a hyper-active cross dresser and still looked glamorous the whole evening. Thanks also to Linda Postyn, who announced for the parade of our designer darlings.

Other volunteers: Thanks to Rich & Marie for arranging for the room at Parliament House. Also: Beverly D'Amico, Lindsey Beal, Peggy Lackner, and Ethel Facundo. Ticket Takers: Debi Hallmark & Debbie Figuera. Bartenders (who generously gave their tips back to the club): Bill Roberts, Steve Bernstein, Stan Dekiel.

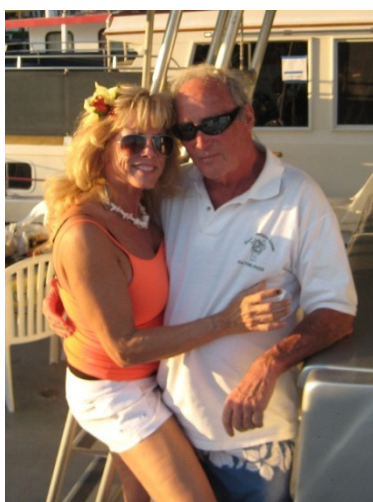

One final note: To the right you will see what's left of a huge buffet that was provided for the attendees. And our outstanding Social Director:

Lynette Beal

made practically ALL of it, which I'm sure took *hours*. We are very lucky to have such a dedicated person making sure every detail is attended to and the events are enjoyed by all.

The Saint Patty's Day Raft-Up – March 16, 2013. It *IS* easy being green... (so please recycle)

Nautical Phrases

Fathom

Although a fathom is now a nautical unit of length equal to six feet, it was once defined by an act of Parliament as "the length of a man's arms around the object of his affections." The word derives from the Old English Faethm, which means "embracing arms."

Flying Dutchman

One superstition has it that any mariner who sees the ghost ship called the Flying Dutchman will die within the day. The tale of the Flying Dutchman trying to round the Cape of Good Hope against strong winds and never succeeding, then trying to make Cape Horn and failing there too, has been the most famous of maritime ghost stories for more 300 years. The cursed spectral ship sailing back and forth on its endless voyage, its ancient white-hair crew crying for help while hauling at her sail, inspired Samuel Taylor Coleridge to write his classic "The Rime of the Ancient Mariner," to name but one famous literary work. The real Flying Dutchman is supposed to have set sail in 1660.

Fouled anchor

The fouled (rope- or chain-entwined) anchor so prevalent in our Navy's designs and insignia is a symbol at least 500 years old that has its origins in the British traditions adopted by our naval service.
