Dear Sailing Singles:

Thank you for helping to make the 2013 Hospice by the Sea Regatta a great success. I appreciate the work you did to lead the 2013 HBTS Fundraising Challenge on behalf of *Ryan's Place*.

It was a wonderful day of racing. For those of us who don't really get a chance to spend time on the water, the long line of regatta boats with their sails open to the wind was really a very impressive sight. *Ryan's Place* was right there among them. I would like to ask you thank all your family and friends on my behalf for their contributions to *Muninn* and to the success of the 2013 HBTS Regatta Fundraising Challenge.

Of course, I am already looking forward to next May and the 2014 Hospice by the Sea Regatta! On behalf of the Board of Directors, our patients and their families, our volunteers and our staff, I extend my heartfelt *thank you* for your contribution to the 2013 HBTS Regatta Fundraising Challenge and for all your efforts in support of Hospice by the Sea, Inc.

Warm regards,

Paula J. Alderson  
President and CEO

Be the next confident owner of *Najimi*, a rare, 36-foot cruiser/racing sloop that sails like a dream. They don't make boats like this anymore. Each Cascade hull was hand laid at the Portland, Oregon factory (not a production boat) using layers of woven roving and glass cloth. The 'bulletproof' hull is but one of her smart features. In addition to making her even more beautiful (with new paint, varnish, cushions, sail covers, stained teak & holly interior), I've added some creature comforts since buying her in 1999 and have kept her well-maintained as did her previous owner. All manuals and records, previous surveys, available. 5'6" draft, rare low aspect mast (54 ft.) for easy intracoastal passagemaking. Call Karen for more information and showing: 561-351-7727 or email me at [sailorgirl2bfree@yahoo.com](mailto:sailorgirl2bfree@yahoo.com). \$39,500 for quick sale.

## Nautical Phrases

### Shows his true colors

Early warships often carried flags from many nations on board in order to elude or deceive the enemy. The rules of civilized warfare called for all ships to hoist their true national ensigns before firing a shot. Someone who finally "shows his true colors" is acting like a man-of-war which hailed another ship flying one flag, but then hoisted their own when they got in firing range.
