Luau Party

The Luau Party on March 23 and it took a lot of decorating and planning (and cleaning up afterward, a seldom-remembered part of these events; see all the hanging decorations in the photos below? Took hours to put them up & get them down). So, we're going to give the volunteers a rest: our next club event will be the beach bar-b-que on 6/1.

Thanks to the volunteers!

Ahoy Sailing Single Members,

We had a great time in March; sailing, attending Flip Flops with Birthday cakes, and welcoming new members.

The Luau Party was a great success, and a huge attendance and I'm glad so many members attended. As a volunteer I was a greeter! The team welcomed members, helped them get the food to the designated areas as determined by the Social Committee Volunteers. There was dancing which everyone knows I enjoy and I did not stop until I had to sit down and take a break. The decorations were fantastic, our club made you feel you were in Hawaii, and perfect for the event plus the center-pieces of real pineapples looked great (I did not win the one at our table, but I am sure the winner did enjoy it). Then the show began with the Ladies hula dancing followed by the Guys hula dancing, including an encore requested by the members! And that was just the beginning! The fire twirlers were the best; they were the highlight of the evening with a volcano in the background! I am sure everyone enjoyed it as much as I did. Thanks to all the Volunteers!

The sailing raft up in March: I went on this one and it was a great day and great weather. The theme was pie and for March there was a lot of Key Lime pie. It was fun and I walked to each boat and tried appetizers, wine and chatted all day long it was a pleasure to get out on the water again!

The club is working hard with sailing events, social events and our membership continues to grow. We have more to come!

We welcomed a new Membership Director – **Deborah McGraw**. I am thankful for your commitment to the club and her participation to join the 2019 Board.

The Captains Initiative will progress in the coming months, as we work on the best ideas, suggestions and efforts to grow our clubs Captains base, participation and membership.

Fair Winds,

Ethel Facundo, *Commodore*

March 9 raft-up in Lake Sunrise. The theme was St. Patrick's Day / National Pi Day
Pi (π) is the Greek letter assigned to the number you get when you divide the circumference of any circle by its diameter. Pi is a transcendental number without resolution. See what you learn reading the newsletter!

The next Day Sail will be Saturday, April 13. The theme is 'Show your Colors' so bring food and drink from your county or state of origin and dress accordingly. For example if you are from Wisconsin, you might wear your Badger red shirt and cheesehead while bringing cheese curds, brats and Miller beer. The schedule is to sail in the morning and get together for a raft up at Lake Sylvia at 2:00 pm.
